

Firefighter's ABC's invites you to become a member of the National Recruit Database

Be sure to activate your Firefighter's ABC's National Recruit Database membership for access to the free support and tools available on the Firefighter's ABC's website.

With your free membership in the National Recruit Database, you'll receive valuable tips to help you become a more qualified candidate, and have access to these useful resources:

- Links to Paramedic and Emergency Medical Technician training resources
- Access to Fire Service organizations offering entry-level workshops and intern activities
- Access to Volunteer and student fire programs and the F.L.A.S.H. T.E.S.T.

You'll be able to use a powerful assessment tool developed by Firefighter's ABC's that can help you determine your current level of preparedness as a viable candidate.

As a member, you'll also be able to send in suggestions and questions to be reviewed and answered during our 21st Century Diversity Recruitment Workshops and other events.

To join, go to www.FirefightersABCs.com and follow these steps:

1. Choose **Join Now** on the lower-left navigation menu.
2. Choose **National Recruit Database - Join For Free** from the list of options.
3. Enter the information to complete steps 1-8 of the **National Recruit Database Assessment Profile** and receive your welcome letter via email.
4. Sign in to the members' area with your email address as your user name, and the temporary password info included in your welcome letter.
5. Update your temporary password to a password you'll remember in the future.
6. Enjoy your members' area and the tools and support provided there for you!

Please share this **100% Free** National Recruit Database membership information with other diverse youth in your community, and any groups or organizations that are looking for ways to support diverse youth in career planning.

We look forward to supporting a more diverse fire service.
