

IABPFF MEMORIAM COMMITTEE REPORT

JOHN REED

IABPFF Memoriam Committee Report-

No news is good news as it relates to LODDs. At this time, we report sad news that one of our special Retired members Brother and past SE Regional Director Leroy Norwood passed away. Our hearts and prayers go out to his family and SER family and friends.

Our page is currently complete and running. I am working with the retirees committee to get information mailed out and that we are available and on the website. Retirees committee will give the details of where we are in the mail outs.
