## Welcome to the IABPFF Legislation Page

Legislation refers to the preparation and enactment of laws by a legislative body through the lawmaking process. The legislative process includes evaluating, amending, and voting on proposed laws and is concerned with the words used in the bill to communicate the values, judgements, and purposes of the proposal.

### **The purpose of this page is to:**

- Educate IABPFF members about Federal and State Legislation
- Explore the laws/rules that impact African American Firefighters
- Identify the key legislators for each state

**Each week we will highlight a state, current governing leaders and how they vote on relevant issues.**
