

# **HEALTH AND SAFETY REPORT 04/20/2021**

## **TERRI REID, CHAIR**

Good afternoon,

The Health and Safety Committee is continuing our efforts with the pandemic. We are currently experiencing an uptick with Covid-19 positive patients. We ask everyone to continue social distancing and wear your mask.

Secondly, please make sure we are utilizing safe practices on and off duty. Cancer is still haunting our personnel while on duty and during retirement. Please don and doff all equipment properly, go through rehab, do not use your hood as a facemask. Please use a surgical mask and Wash your Hood every Sunday.

Please do a check-in on IABPFF members, personnel and family members. We utilize this procedure to make sure everyone is ok. Sometimes situations come up all of a sudden. Let us make an effort to reach out and stay connected.

If anyone has any questions or suggestions for the Health & Safety Committee please feel free to send an email to: [ser1stvicedirector@gmail.com](mailto:ser1stvicedirector@gmail.com).

The Health & Safety Committee is sending our heartfelt condolences to the IABPFF members, family and friends of Brother Leroy Norwood. Brother Norwood has mentored, guided and motivated many of us and his memory will always hold a special place in our hearts.

Respectfully Submitted,

Terri Reid
