IABPFF Health & Safety Team **03-27-2020**

Greetings IABPFF Members,

I hope everyone is staying as safe as possible while dealing with the uncertainty of COVID-19. Due to the magnitude of COVID-19 it's important that we expand our IABPFF Health & Safety Team. This will assist in the following:

- 1. Giving IABPFF members a clearer view on up to date Health & Safety concerns.***
- 2. Retrieving Nationwide Research & Data.***
- 3. Allow the IABPFF membership to build stronger relationships with other jurisdictions in reference to Health & Safety Concerns.***
- 4. Brainstorm ideas amongst each other rather than reinvent the wheel.***
- 5. Focus and create future goals for our IABPFF members.***

If you are interested in being an asset to our Health & Safety Team please submit the following information to ser1stvicedirector@gmail.com by Friday April 10, 2020:

- 1. Name**
- 2. Contact number**
- 3. Email address**
- 4. Your Region**
- 5. Your Status (Chapter, Retiree, Individual, Lifetime member)**

If I can address any questions or concerns, please feel free to utilize my contact information below. I would greatly appreciate participation from all IABPFF Regions.

Please Stay Safe,

Terri L. Reid
IABPFF Health & Safety Chairperson
