IABPFF Memoriam Committee Report:

The IABPFF Memorial/LODD (the "Memoriam") page was created to provide one way to honor and keep track of members in the IABPFF who have died or been killed in the line of duty. The Memoriam will provide a lasting tribute to those brave fire personnel and serve as lasting recognition of our deep appreciation of their sacrifice. This section is located on the IABPFF website.

No news is always good news as it relates to LODDs. At this time we sadly report news that following members has gone on to glory.

Lt. Travis Isabel Memphis TN Fire Department
Retired Chief Jimmy Hodges City of Atlanta Fire Department
Retired Fire Chief David Walson College Park Georgia
Retired FF William Henry Couch "Baron" Jersey City Fire Department
Retired FF Osbert Cox Miami-Dade Fire
Retired Chief Robert Slaughter East Orange NJ Department
Rt. FF Mark Lowe Atlantic City Fire NJ Department
Rt. FF Butch Lavern Alexander Chicago IL Fire Department
Retired FF Dan Miller San Francisco Fire Department

We currently still not getting updated information in a timely manner from the regions of members that has passed.

Our page is currently complete and running. Mr. Darren Hyson has also set up a resolution page so that me and Kiesha Wilson will have a tracking mechanism in place. I'm working with the Retirees Committee to continue to get information mailed to retirees and show that we are available and on the website.

Thanks for all you do.

Thank You

Respectfully Submitted
