

INTERNATIONAL ASSOCIATION OF BLACK PROFESSIONAL FIRE FIGHTERS

RESOLUTION

To The Family of Retired Retired Captain Daniel “Norman” Miller

When mortal life has passed through all the phases and experiences allowed to it, and its responsibilities have been met and fulfilled, though saddened by its close, we should take comfort in knowing that God gives rest.

Whereas, Retired Captain Daniel “Norman” Miller, a retired member of the San Francisco Fire Department, and one of the original members of and a strong advocate of San Francisco Black Firefighter Association, San Francisco, CA and a Chapter of the International Association of Black Professional Fire Fighters has worked for the betterment of humanity. And

Whereas, it has pleased our Heavenly Father, in His infinite mercy and wisdom, to call from among us and from the labors of this life to the sweet rest and fellowship of saints in heaven, our dear beloved member, Retired Captain Daniel “Norman” Miller,

Be it therefore Resolved, that even though death causes much sorrow, we encourage the family members to look to God who is able to comfort us in all our troubles and give strength for the days ahead. We pray that the strengthening and sustaining power of the Holy Spirit, will keep you in this difficult time.

Be it Resolved, that although your presence will be greatly missed by your loved ones and those of us who knew you, we will accept with submission God's will, and look forward with joy to meeting you in Heaven.

Be it Further Resolved that the International Association of Black Professional Fire Fighters, extend to the members of this bereaved family our heartfelt sympathy in their loss; and remind them that God understands all.
