## **Proposed Constitutional Changes 2022**

### **Bylaws Article 3 Section 1**

#### **As Current:**

The dues of the IABPFF shall be derived from a per capita tax of forty one dollars and fifty cents (\$41.50) per year, per member, beginning January 1, 2019. Starting on January 1, 2020 dues will increase to \$50 per member until amended. Dues are payable January 1 on and before March 1 of each year, and are considered late if received after March 1. Dues received by the IABPFF treasurer after October 1 shall be counted for the following year.

#### **Proposed:**

The dues of the IABPFF shall be derived from a per capita tax of forty one dollars and fifty cents (\$41.50) per year, per member, beginning January 1, 2019. Starting on January 1, 2020 dues will increase to \$50 per member until amended. Dues are due and payable 1 October of the year before the membership period being paid for begins, and late after 31 December of the year before the membership period being paid for begins. Dues must be paid before 1 January for a member to be current and in good standing.

A member is not current nor in good standing if their membership is not current. If a member is not current and in good standing, then all membership privileges are on hold until dues are received by the IABPFF Treasurer.

Dues received by the IABPFF treasurer after October 1 shall be counted for the following year.

### **Constitution Article 4 Section 7**

As current:

All monies collected or received (membership dues, revenue from IABPFF merchandise or use of the IABPFF logo, etc.) By any entity shall be forwarded to the appropriate IABPFF regional/representative with the proper annual membership roster and/or documentation of revenue collected. A separate roster listing lifetime member shall be forwarded also. The IABPFF she'll keep a separate file of lifetime members.

Proposed:

All monies collected or received (membership dues, revenue from IABPFF merchandise or use of the IABPFF logo, etc.) By any entity shall be forwarded to the appropriate IABPFF regional/representative with the proper annual membership roster and/or documentation of revenue collected. A separate roster listing lifetime member shall be forwarded also. The region shall then forward all monies to the International Treasurer. A Chapter is not considered financial until the international treasurer has received the appropriate amount of dues and a completed roster in the correct format. The IABPFF she'll keep a separate file of lifetime members.
