Greetings and Happy Holidays.

I hope this message finds you and your loved ones in Good Health, Sound Mind, and in A Vibrant Spirit.

My name is Daren M. Davis and I am A Lieutenant with the City of Miami (Fl) Fire-Rescue Department, with 29 years of experience. I am also the President of the (PBFFA) The Professional Black FireFighters Association Inc.

*As you may be aware, the 2024 International Convention is slated to be hosted right here in the "305" by my chapter and our brothers and sisters of the (PFA) Progressive Firefighters Charities Inc. of Miami-Dade County Fire-Rescue Department. In preparation for that conference, we have begun to put ideas together. We are planning on changing the game going forward. This should be a group effort from all of us so I need for **ALL Presidents** or his/her designees to get in touch with me as soon as possible. Your input is critical to our success. Once I receive that response I will gather our info and create a chat and then fill you in with details. I look forward to hearing from you all. Please respond with the following.*
