January 9, 2024

Greetings,

The heart of the International Association of Black Professional Fire Fighters, Inc. (IABPFF, Inc.) can be found in our members, partners and supporters. As African-American Firefighters, we are diverse and we continue to strive for equity and inclusion in the fire service and communities across the country. We would like for your organization to partner with us as we hold our International Biennial Convention in Miami, Florida August 4 - 9, 2024 at the Marriott Miami Biscayne Bay. Our theme is: *"Closing The Generational Gap."*

During our Biennial Convention, we will offer our participants from around the globe resources and solutions to address the top challenges facing people of color, women and our LGBTQIA+ community, improve efficiencies through education and training, assist in the development of department's policies and procedures as it relates to diversity, equity and inclusion.

Supporting the IABPFF, Inc. will also help strengthen communities across the country as we launch our National Founding V Initiatives: IABPFF, Inc. Youth Initiative in Honor of Captain David J. Floyd, Community Risk Reduction in communities of color, National Day of Impact, Mentoring, Training and Career Advancement.

I am excited to submit this invitation to your organization with hopes of establishing a partnership as we host our Biennial Convention and continue the mission of service to our communities. The IABPFF, Inc. strives to cultivate and maintain professional competence among fire fighters, provide fire prevention and education activities in local communities, and assist in emergency operations as needed.

I am proud to be the first female President of the IABPFF, Inc. an organization born out of the civil rights movement of the 1960's. It was created to address deleterious conditions that exist within the fire service and communities of color, a mission that we continue till this day.

Our membership is comprised of over 3000 current and retired fire service professionals of all levels and ranks across the United States, London, Canada, and the Caribbean. The IABPFF, Inc. has successfully implemented national safety initiatives and community programs providing safety equipment, education and support to local communities and fire departments. These initiatives include:

- Community Risk Reduction
- Recruitment and Retention Programs
- Fire Prevention and Safety Initiatives
- Executive Development and training
- Scholarship programs
- Youth Camp Initiative in Honor of Captain David J. Floyd

I invite you to visit our website at www.iabpf.org to learn more about the IABPFF, Inc. and our work in communities across the globe.

Sincerely,

Carrie Edwards-Clemons

Carrie Edwards-Clemons

"ALL THAT WE ARE – WE OWE"

International Association of Black Professional Fire Fighters Inc.

Non-profit 501c4 - EIN:52-1699288

"Closing The Generational Gap."

The IABPFF, Inc. is an incorporated membership organization that works to improve the economic development and employment opportunities for minorities. As First Responders, it is our mission to make the fire services relevant.

Programs at the national level include the following:

STOP Fire Campaign - Fire-Safe Cooking: A Recipe for Saving Lives to prevent cooking- related home fires, as well as injuries and deaths among children and seniors. We have an informative education video sharing some helpful tips for families.

Community Risk Reduction (CRR) Smoke Alarms and Carbon Monoxide Alarms - Distributes smoke alarms and carbon monoxide alarms to families in high-risk neighborhoods to help reduce fire-related injuries and deaths.

Climbing for Life – Promotes the awareness and safe use of home fire escape ladders, smoke alarms and escape planning.

IABPFF, Inc. Mission:

Fire and Life Safety Education - The IABPFF, Inc. will endeavor to improve the quality of fire protection afforded the communities and regions throughout the nation by developing and conducting fire prevention and safety programs that educate and reduce the loss of life and property with special emphasis on serving communities of color.

Recruitment, Retention and Advancement - To develop and implement a nationally recognized program to recruit, retain and advance, prospective First Responders.

Building Partnerships - To the establish lasting partnerships with like-minded organizations to encourage, cultivate and promote fire safety, diversity, equity and inclusion.

First Convention of the International Association of Black Professional Fire Fighters, Inc.

October 3, 1970 Hartford, CT
