Executive Vice President Report

President Carrie Edwards-Clemons

I'm currently working on several projects throughout the regions. Fortunately, we are consistently increasing our membership throughout the nation. I continue to receive several calls and emails throughout the week pertaining to the movement of the organization. The majority of the emails are coming from the elders. The elders are very excited to say the least. Below I will list key issues I'm currently working on with IABPFF members.

Overview- Chapter and Organizational Development for Success/ Presented by Brent Burton.

Scholarship Initiatives.

The importance of paying dues and submitting rosters.

Monthly meeting with Directors. Working with committee chairs.

Working with law group and internal affairs.

Collection of data initiatives.

Partnering with other organizations.

Respectfully,

Gary Tinney

History as nearly no one seems to know is not merely something to be read. And, is does not refer merely, or even principally to the past. On the contrary, the great force of history comes from the fact that we carry it within us, are unconsciously controlled by it in many ways, and history is literally present in all that we do.
